

YOUTHREX IS PART OF Ontario's Youth Action Plan to mobilize research about youth, increase understanding of positive youth development and invest in continuous quality improvement in Ontario's youth programming.

OUR VISION is an Ontario where shared knowledge is transformed into positive impact for all youth.

OUR MISSION is to make research evidence and evaluation practices accessible and relevant to Ontario's grassroots youth sector through capacity building, knowledge mobilization and evaluation leadership.

The Youth Research and Evaluation eXchange (YouthREX) is a province-wide initiative based at York University with five regional Hubs across Ontario.

YouthREX promotes the integration of research evidence and evaluation in the development and delivery of Ontario's youth programs. YouthREX is an important part of Ontario's Youth Action Plan. A key accomplishment of the plan is Stepping Up: A Strategic Framework to Help Ontario's Youth Succeed. Launched in December 2014, YouthREX is primarily funded by the Ontario Ministry of Children and Youth Services with extensive contributions from York University and the four partner universities.
