

BECOME A YOUTH RESEARCHER!

Are you a young person in grade 9 – 12, living in the
Flour-Mill, Donovan or downtown Sudbury communities?

Do you want to make positive change in your community while
learning about the power of research and evaluation?

We are looking for 20-25 interested high school youth to join the
NOISE@YouthREX, Northeastern Hub program coming again to
Sudbury, September 2016 - December 2016.

“ Being a part of the NOISE program made me realize that
people of any age can change the community for the better.
And I never really realized how easy it is to make friends. ”
- Letoya (Youth Participant)

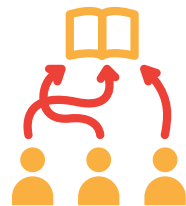

THROUGH NOISE, youth participants will have the opportunity to imagine new
possibilities for themselves and their community.

Youth Research and Evaluation eXchange (YouthREX) is a province-wide initiative based at York University with five regional
Hubs across Ontario. Our mission is to make research evidence and evaluation practices accessible and relevant to Ontario's
grassroots youth sector through knowledge mobilization, capacity building and evaluation leadership.
