“SOLIDARITY AND SYSTEMS CHANGE: YOUTH ORGANIZING FOR CHANGE”

Presented by the Youth Advocacy Team (YAT) and Adam Fearnall

"Over the last eight months, YouthREX incubated a project called the Youth Advocacy Team (YAT). The YAT brought together a group of young people, from a variety of backgrounds, to explore what research, evaluation, and systems change meant to us. As we worked together we realized that we were doing something else—building solidarity amongst people who otherwise wouldn't have met. As we learned about each other, we began to see the many ways that systems oppress young people and the ways in which young people actively resist this oppression. Join us to learn about our journey together and our journey into the world of system's change."
