INPUTS

OUTCOMES

Already have a head start? Bring your current program logic model!

Optional (but highly recommended) Pre-Workshop Learning:

Please complete the following two workshops from YouthREX's *Program Evaluation for Youth Wellbeing Certificate*:

1. [Introduction to Evaluation](#)
2. [Logic Modelling for Intentional Program Design](#)

OUTPUTS

HOW TO GET HERE

Location

Room 519 Kaneff Tower at York University. Kaneff Tower has elevators to take you to the fifth floor. There will be signs directing you to Room 519. There is an accessible and all-gender washroom on the fifth floor.

Transit

The building is directly beside [York University](#) TTC subway station, which has elevators, escalators, and a ramp. The TTC provides regular updates on the status of station elevators and escalators [on its website](#).

Driving

York University offers [paid Visitor Parking](#) on Keele Campus. The parking options closest to Kaneff Tower ([#95 on the map](#)) are the York Lanes Parking Garage ([#72 on the map](#)) and the Vanier Lot ([#71 on the map](#)). Both include [Accessible Parking](#).

Refreshments and lunch will be provided.

Have any questions?

If you have questions, please contact Chanel Herbert at chanel@youthrex.com. You can also give us a call at: 437.388.5626
